Creative Senior Portraiture

creative

Celuch Creative photographs a limited number of seniors each year. We strive to create the most professional, artistic and attractive portraiture available, and our goal is to photographically highlight your unique personality.

We feel that it is our privilege to provide you with a beautiful portrait. To accomplish this, your photo session is best spent in the studio, and not in the changing room. Although we allow three clothing changes during a senior session, we suggest that you limit your wardrobe selection in order to take best advantage of the time spent being photographed.

We do nearly all of our photography in high resolution digital formats, and usually provide you with a large number of previews viewable in our studio or on CD-ROM.

Since we only do custom photography, the package below is merely a suggestion. Just ask us and we will tailor-make a package to suit your needs.

(Please give us a call for suggestions regarding hair, makeup, wardrobe and eyeglasses.)
